Boom Dice – ‘Confidence’ Feat. Charlotte Hannah

Boom Dice is a brilliant artist hailing from Toronto. He is back in winter 2020 with the superb single ‘Confidence’ featuring the excellent vocals of Charlotte Hannah.

A gorgeous beat opens the release. It is instantly captivating and draws the listener in. We adore the intense and melodic bass; it drives the song along and creates a warmth within the piece. In addition, the kick drum feels like the heartbeat of the music, creating the solid foundation for the rest of the instrumentation to grow from.

Charlotte Hannah’s mesmerising vocals enter. Her voice is rich and effortlessly captivates the audience. The layered vocals on the chorus add further texture to the piece too.

We adore the mix, production and master of the single. There is a punchy hard-hitting feel from the get-go which is intoxicating. Boom Dice is an artist who knows how to write a hit.

Boom Dice (AKA Bryan Wilson) is a Grammy-nominated Producer, Songwriter, Mixer & Artist. Previously he has worked with artists such as Sofi Tukker, Stormzy, Disclosure, John Newman, Wolf Alice, Lianne La Havas and Mabel. This latest collaboration with Charlotte Hannah is a classic commercial pop single in the making.

Artist Showcase Platform

We are so thrilled to have discovered Boom Dice. He is an innovative artist who is continually pushing forward. In addition, Wilson created ‘Boom Dice Presents Artist Showcase Platform’ to address the problems in the modern music industry. He works closely with artists from the ground up helping new artists to make waves.

So make sure you add ‘Confidence’ to your weekday playlist. It is a single that needs to be heard to be fully appreciated. We sincerely hope another collaboration between Boom Dice and Charlotte Hannah will happen in the future!
