BOOM DICE DROPS 'CONFIDENCE' FEATURING 'CHARLOTTE HANNAH

Simon Francis December 2, 2020 12:37 pm

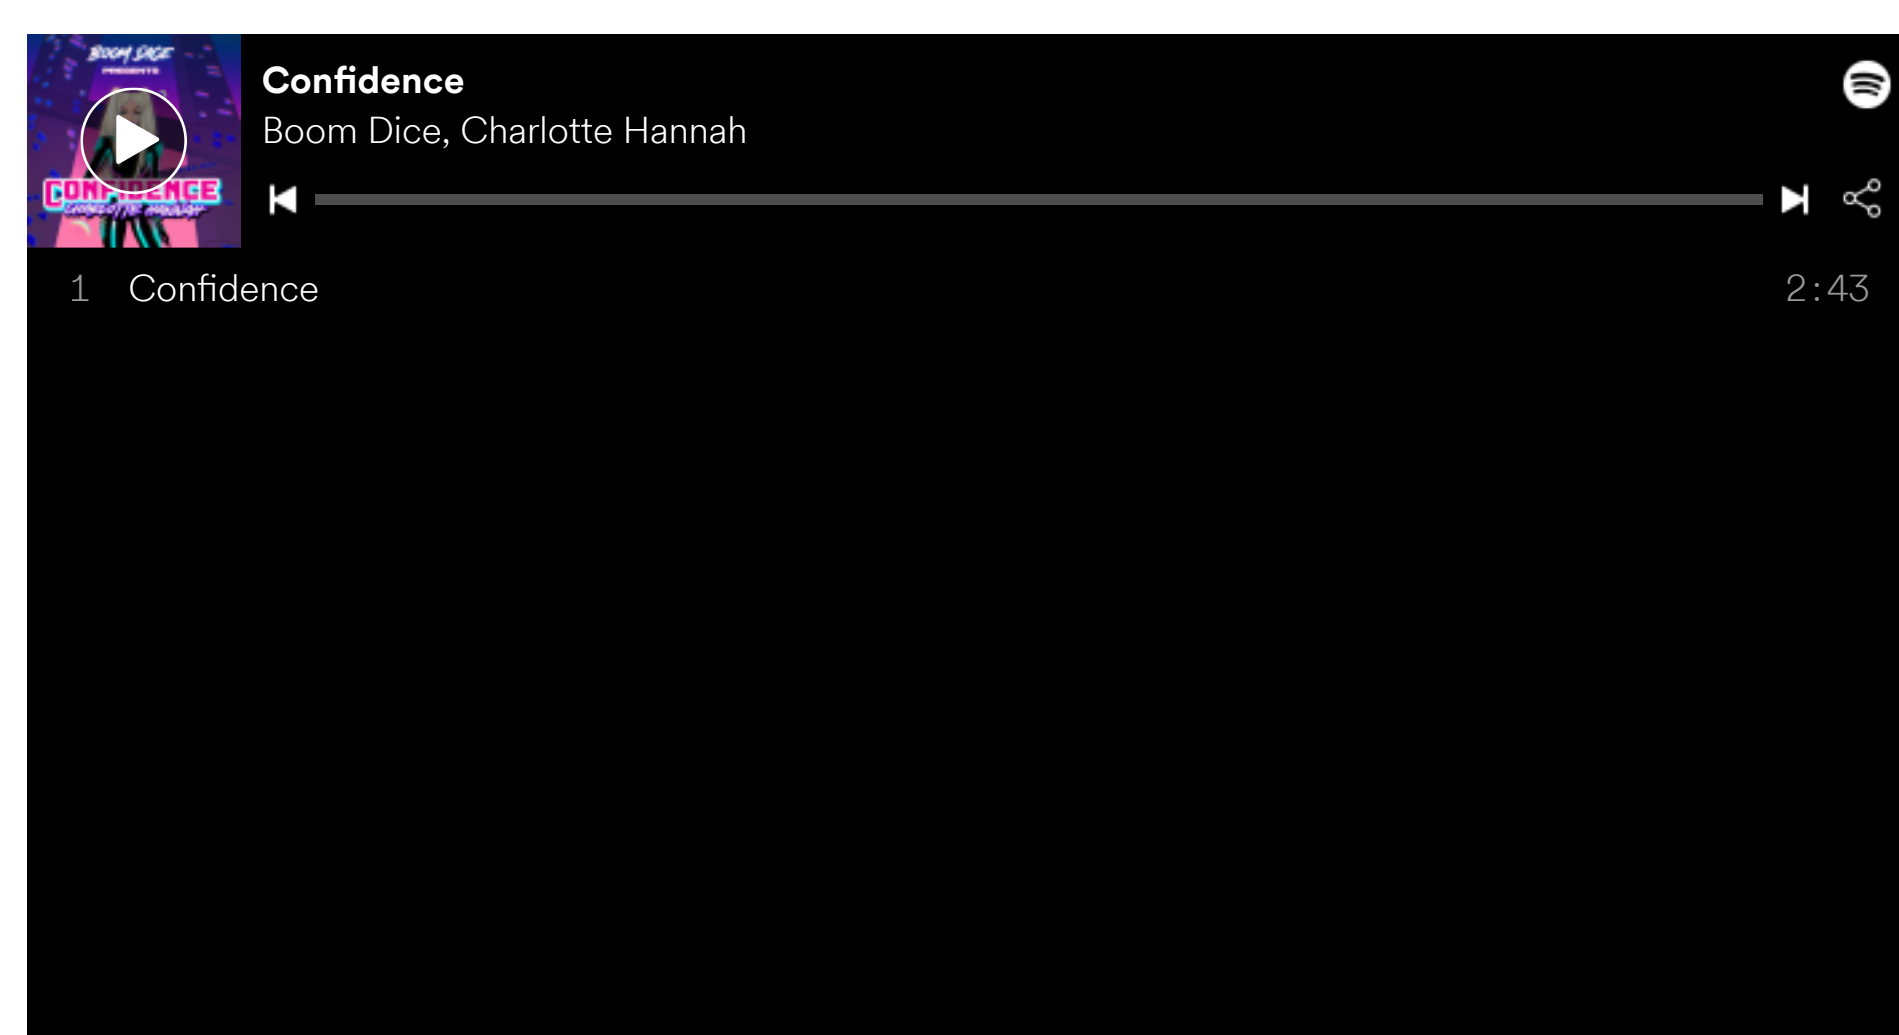

Yorkshire pop-powerhouse Charlotte Hannah teams up with Grammy-nominated producer Boom Dice for thrilled commercial single

Put together remotely, 'Confidence' is loaded with bouncy bass lines, driving beats and singable toplines. Charlotte Hannah and Boom Dice's latest hit is one of our favourites of 2020.

Discussing the single, Boom Dice said: "Confidence is about being strong in personality, spirit, and who you are. I want people to feel empowered by it, but also playful and sassy."

Charlotte Hannah also explains: "I sang: 'Every time you feel less confident I want you to think of me', because being you, as you are - is enough. Not only is it enough but it's something to be proud of. 'Confidence' to me is a song that celebrates everyone. If you are listening to this song, it is for you. And I want you to thrive with it."

Take a listen to 'Confidence' today!
